

SETAC Pellston workshop | 22-27 March 2015 | Parador El Saler, Valencia, Spain

Simplifying environmental mixtures
An aquatic exposure-based approach via exposure scenarios

Society of Environmental Toxicology and Chemistry

Day 1: Sunday, 22 March

Workshop participants arrive and check in at front desk.

19:00 - 20:00	Welcome drink (Terrace)
20:00 - 22:00	Cocktail dinner (Terrace)

Day 2: Monday, 23 March

- 07:30 - 08:30** Breakfast
09:00 - 09:10 Welcome - Bart Bosveld (SETAC Europe, Belgium)
09:10 - 09:30 Introduction & workshop rationale - Stuart Marshall (Unilever, UK)

Plenary Session 1

- 09:30 - 10:00** Overview and big picture: What is the purpose of assessing mixtures via exposure scenarios? - Scott Dyer (P&G, USA)
- 10:00 - 10:45** Overview of the Water Environment Research Foundation's Trace Organics Program - Jerry Diamond (Tetra Tech, USA), Allen Burton (University of Michigan, USA)
- 10:45 - 11:15** Coffee Break (Terrace)
- 11:15 - 12:00** Overview of potential regulatory needs to regulate chemical mixtures - Nannett Aust (UBA, Germany)
- 12:00 - 13:00** Lunch (Golf restaurant)
- 13:00 - 15:00** Group overviews:
*Workgroup leaders will present during 20 minutes an overview (goals, attendees, chapters) and entertain brief questions. Feedback from the full group expected.
*Each workgroup leader will present an overview of their goals, specific topics for discussion, and book chapters.
*Workgroup leaders will identify the members of their group. Members introduce themselves and describe their work. Open discussion on plenary talks.
- 15:00 - 15:30** Coffee Break (Terrace)
- 15:30 - 17:00** Breakout Sessions
*Workgroups debate and discuss their charge questions, ensure they are aligned on their tasks, and resolve any issues related to expansion or contraction of their tasks.
*Soliciting additional topics for discussion. The Steering Committee can discuss the merits of any new discussion topics.

Plenary Session 2

- 17:00 - 18:00** Workgroups report back
*Workgroup leaders will have 15 minutes to report any major issues that arose during the discussion, and which may require resolution of the full group.
*Identify issues from the entire workshop participants that may see gaps in the overall scoping outline, and eventually change workshop course.
- 18:30 - 19:30** Dinner (Main restaurant)
- 19:30 - 22:00** Breakout sessions continue as needed

Day 3: Tuesday, 24 March

The goal of this day is an annotated outline of manuscripts per workgroup.

- 07:30 - 08:30** Breakfast - Steering Committee and SETAC representatives meet to discuss feedback, issues, new topics for workgroups, etc.
- 08:30 - 10:15** Breakout sessions continue
- 10:15 - 10:45** Coffee break (Terrace)
- 10:45 - 12:00** Breakout sessions continue
- 12:00 - 13:00** Lunch (Picnic)
- 13:00 - 14:30** Breakout sessions continue
- 14:30 - 15:00** Coffee break (Terrace)
- 15:00 - 16:00** Breakout sessions continue

Plenary Session 3

- 16:00 - 17:30** Workgroup leaders have 15 minutes to report on progress, issues, other points that the full group needs to hear or resolve
- 17:30 - 18:00** Tapas & drinks (Terrace)
- 18:00 - 20:00** Breakout sessions continue
- 20:00 - 22:00** Dinner (Flamenco restaurant, Valencia city center)

Day 4: Wednesday, 25 March

07:30 - 08:30 Breakfast - Steering Committee meets with SETAC representatives to determine how workshop is moving, need for course corrections, etc.

08:30 - 10:15 Breakout sessions continue

10:15 - 10:45 Coffee break (Terrace)

10:45 - 12:00 Breakout sessions continue

12:00 - 13:00 Lunch (Golf Restaurant)

Plenary Session 4

13:00 - 14:30 *Workgroup leaders have 15 minutes to present items of consensus, research needs, data gaps, areas of disagreement or where the workgroup cannot reach consensus, refined outline of chapter(s).
*Integrators should look for cross-cutting areas common to all groups.

14:30 - 15:00 Coffee break (Terrace)

15:00 - 18:30 Social activity

17:30 - 18:30 *Optional mixer

*Steering Committee meets informally to resolve any issues that did not warrant discussion in the full group.

18:30 - 19:30 Dinner (Main Restaurant)

20:00 - 22:00 Refine manuscript writing per each workgroup

Day 5: Thursday, 26 March

- 07:30 - 08:30** Breakfast
- 08:30 - 10:15** Breakout sessions continue
- 10:15 - 10:45** Coffee break (Terrace)
- 10:45 - 12:00** Breakout sessions continue
- 12:00 - 13:00** Lunch (Picnic)
- 13:00 - 14:30** Breakout sessions continue
- 14:30 - 15:00** Coffee break (Terrace)
- 15:00 - 16:00** Breakout sessions continue
- 16:00 - 17:30** *Workgroup leaders and Steering Committee meet to get a reality check on progress, group issues, topic overlaps, etc.
*Work with Integrators to develop the skeleton of a workshop Executive Summary.
- 17:30 - 18:30** Mixer
- 18:30 - 19:30** Dinner (Main Restaurant)

Plenary Session 5

- 20:00 - 22:00** *Steering Committee discusses logistics for the workshop results including publication of the workshop, timings, etc.
*Open period for discussion on pressing topics by participants.

Day 6: Friday, 27 March

07:30 - 08:30 Breakfast

Plenary Session 6

08:30 - 10:30 Concluding plenary session. Participants can leave after this session or stay for lunch.

10:30 - 11:00 Closing reception (Terrace)

11:00 - 12:30 Steering Committee and workgroup leaders meet to:

*Fix a proceedings plan: review materials developed thus far, plan next steps and assign responsibilities for getting chapters completed. Conference calls are scheduled to keep track of publication process.

*Elaborate Executive Summary

*Draft press release and newsletter articles for SETAC Globe

*Plan presentations (platforms, interactive poster presentations) for next SETAC meetings.

12:30 - 13:30 Lunch (Golf Restaurant)

13:30 All depart
